*"Reach for the Stars"*

## From the Principal, Miss Sarah Perrett

### *Dear Parents & Care Givers,*

I can't believe the end of the school year is almost upon us. These last few weeks have been busy with report writing, finalising learning programs, Christmas Concert practice and planning for 2019. Our next newsletter will be published in week 10 so we can include photos from the concert and recognise students who receive awards.

### Remembrance Day

Our school Remembrance Day Ceremony was held last week. During the service students, laid wreaths and observed the minute silence as well as learning about the centenary of Armistice that ended the First World War 100 years ago. Thank you to the parents and community members who attended and recognised this event with us.

### 2019 Orientation

Next Monday we welcome the 2019 Kindergarten students to our school for Orientation. This is an opportunity for students to familiarise themselves with the school, routine, peers and staff. Students currently in year 2 will transition to the senior room for the morning session.

### Icy Poles

Purchasing icy poles on a Friday afternoon is a weekly highlight for students and staff. Not only do they cool everyone down on a warm day, but they are also supporting drought affected farmers in the Eastern States of Australia. To date, students have raised \$70.

### T20 Cricket Carnival

In week 5 the Senior Room students competed in the T20 Cricket Carnival against Southern Cross DHS and St Joseph's. I commend all students for participating to progress and consistently making strong choices throughout the day.

Congratulations to Moorine Rock Team 1 who won and to Team 2 who placed third. A big thank you to Melinda from WACA for organising the event. Photos from the day are on page 5.

### Music

Many studies have shown that music is beneficial in developing language, executive skills and social skills. It improves confidence, self-expression and fosters creativity.

This term in music students have been composing and performing songs. The Junior room students have learnt about dynamics (volume) and tempo (speed) and how to be a conductor. Senior Room students thoughtfully used different rhythm and instruments to convey the title of their piece.

### Sports Equipment

Thank you to Fair Game Australia for the donation of sports equipment to our school.

**THANK  
YOU!**

## Booklists for 2019

Booklists for 2019 have been sent home with the students.

The school uses Officemax to deliver your books and resources, but if you wish to purchase your books and stationary from elsewhere please feel free to do this.

We hope that you will find the experience as straightforward as possible. Please make sure to only purchase those resources you need. Teachers will be sending home this week any resources that you have supplied this year that have not been used. This will enable you to only order what they will need in 2019. If you do not require a resource don't forget to use the rubbish bin on the right hand side of the screen to remove the item.

For those wishing to utilise this please have your orders in before the 16th December to take advantage of the free delivery.
