

Dear Parents and Community Members

Technology

Technologies is a new curriculum area in the Western Australian Curriculum. For a person of my experience/mature years/ age/generation (take your pick), the aspect of Digital Technologies is challenging to say the least. However, I was pleasantly surprised, after completing an audit of our position against the curriculum, that a lot is already being undertaken. In the Junior room, all children participate in Reading Eggs, Mathletics and Typing Tournament and are able to turn on, log on and off and shut down their laptops correctly. The Senior Room also work on Reading Eggs, Mathletics and Typing Tournament, can use Microsoft Office Word and Excel programs, are learning about coding and regularly research information.

In the near future, we will be purchasing new laptops and Staff will be engaging in professional learning on the Edison robots. The robots should arrive in the school in Term 3.

Hot Lunches

If sending toasted sandwiches, pizza or like foods please wrap in baking paper and then foil so that they do not stick. It is very difficult to get cheese off foil!

Leave

I will be on Leave from Monday 27.06.16 until Friday 01.07.16. Sherree Nicholson will be acting principal in my absence.

News from Scotch College

Andrew is a courteous and caring member of the Scotch community. He consistently works to his personal best, even when he is struggling with some of the concepts. Andrew contributes in positive ways in our classroom, helping out without being asked to do so and doing it without reward. On a number of occasions his peers have voted him as one of the most caring and generous in the class. Andrew is compassionate to the needs of other students even when he himself is struggling. He shows integrity in his dealings with others, both peers and staff. Andrew is an asset to Scotch College and should be proud of his service to others.

Congratulations Andrew

Birthdays

Birthday Wishes to:

Keely Lowe	01.07.2016	11 years old
Clair Harvey	19.07.2016	10 years old

Safe Holidays

Please enjoy your holidays but keep in mind the Elephant in the Wheatbelt's message of safe driving. I look forward to seeing you all at the beginning of Term 3.

Have a Go

Roland Leach Poetry Prize<http://www.nedlands.wa.gov.au/libraries/roland-leach-poetry-prize>

2016 Roland Leach Poetry Prize

Do you have a talent with words? Are you in Years 3 to 12? You should enter the Roland Leach Poetry Prize.

The City of Nedlands Roland Leach Poetry Prize is a biennial poetry competition, which aims to promote poetry in the community and to recognise and reward outstanding, original works. The competition is open to young poets that reside in Western Australia. **Entries open Monday 1 August 2016 and close Friday 30 September 2016.**

Conditions of Entry

- Original entries in English can be submitted electronically or in hard copy.
- Entries must be submitted in A4 portrait format only.
- Entries must be unpublished and original work of the entrant.
- Entrants must verify age and declare the poem is their own work and that they have approval from their parent/guardian/ or teacher to enter.
- Entries must not have won any previous competitions.
- Entries must be anonymous for judging purposes.
- Name and address of entrant is to be written on the entry form only.
- An Email address must be provided on the entry form.
- If entering more than one poem, each poem needs to be submitted separately with its own entry form.
- Joint entries are not accepted.
- The judges' decision is final.
- By entering this competition you are agreeing to have your work published by City of Nedlands in their Newsletter and on their Webpage and in any anthology that may arise from the competition with acknowledgements to the author. Copyright will at all-time stay with poet.
- Entries must be received at Nedlands Library no later than 1.00pm Friday, 30 September 2016.

Categories

Entries are judged in the following categories:

- A: Middle primary years three, four and five
- B: Upper primary years six and seven
- C: Lower secondary years eight, nine and ten
- D: Upper secondary years eleven and twelve
