Dear Parents and Community Members

Athletics Carnival

What a wonderful day we had for the carnival. Our wonderful children again demonstrated their fantastic behaviour and participated to their utmost. I am always very proud of them. Congratulations to Noah and Amy for winning their respective divisions and to Keely for coming runner-up in her division.

Thank you to Steve Rose for picking up the shade and setting it up and dismantling it with a few other strong Dads. Thank you also to Josie and Michelle Auld who did a sterling job recording (although I think Michelle has a foot in two camps), to Tarin for judging and Nat who had to walk up and down all day marshalling children for races (I guess she can be excused exercise for a week). Lastly, thank you to our wonderful supporters (parents) who come rain or shine to show the Moorine Rock spirit.

People’s Choice Award

I encourage you to read the information below and consider recognizing a staff member for the WA Education Awards. This school is extremely fortunate in that its staff is very dedicated and professional. It is your acknowledgement of them, and not the winning, that can really salute their efforts for your child/children.

Who makes a difference at our school?

As part of the WA Education Awards, we are asking parents and students to tell us who makes a difference in their schools.

Parents and students can now vote for their favourite teacher, principal or support staff member and give them a chance to win $1000.

The staff member who receives the most votes will be awarded the People’s Choice Award at the WA Education Awards presentation event on 28 November.

All school staff who receives a vote will be acknowledged in The West Australian on World Teachers’ Day on 28 October.

Parents and students can vote now at the west.com.au/competitions.

Voting closes at 5.00pm on 23 September.

End of Term Assembly

Please join us for our End of Term assembly this Friday, 16.09.16. The Junior class will be hosting this assembly. After assembly, stay and look around the classrooms and have a cuppa. Normal start time of 9am.

End of Term

Please encourage your children to continue to give of their best as we count down the last days of the term. Normal classes will continue up to the final bell and it is important that children continue to come to school.

Camp Requirements

Each bed at camp comes with a fitted bottom sheet and a pillow. Please add to your list of camp requirements:

- 1 pillow case
- 1 Sleeping bag. Some children may prefer a doona or blankets.
- Bath towel
- Beach towel

National Schools Surveys

Thank you to all those families who have returned their surveys. I would be really pleased to hear from the remaining parents. As the survey is anonymous, I do not know who is yet to reply and so cannot remind you individually. If by chance, you have mislaid your survey and would like another, please contact the school and one will be sent home.

From the surveys, Staff, Students and Parents, the school can determine areas of need and address them appropriately. The results will be made available to the School Council once fully analysed.
Dental health - Keep your child’s teeth healthy

Here are some tips to keep teeth healthy:

- Brush teeth at least twice a day with a soft toothbrush. Parents should supervise tooth brushing until children are 8 or 9 years old as they haven’t got the skill to brush the molars properly until then.

- Adults and children should use a pea-sized amount of fluoride toothpaste. Toothpaste should be spat out after brushing and not swallowed. Do not rinse your mouth out with water after brushing your teeth.

- Rinse your toothbrush thoroughly after brushing and store it hygienically. Replace your toothbrush regularly.

- Older children and adults should floss their teeth daily.

- Eat and drink a healthy diet – avoid too much sugar, especially between meals.
