

Dear Parents and Community Members

As you can imagine, with only seventeen days till the end of term, everyone is flat out meeting deadlines. Some of the many things underway at the moment are:

- Rehearsing for the end of year concert
- The writing of reports
- Students attending orientation days
  - Charli and Judd both enjoyed their visit to Merredin
  - Patrick, Noah and Hamish are off to Mazenod on Thursday for their first taste of school in the city
  - Jye will try out Kindy on the 30<sup>th</sup> and Year 2 students, Lucy and Ethan, will try out the Senior room.
- Christmas craft

## Bravery Trust

I want to thank Mrs Collins for her initiative last Friday morning. She noticed the Stomp Soldiers having breakfast at the General Store and invited them to our assembly. They spoke to the children about their role in Bravery Trust emphasising the need to care for each other and also answering questions about guns. They were careful to talk about gun safety and not to glorify war preferring to talk about mateship. Our children asked really appropriate questions. You can find out more at [www.braverytrust.org.au](http://www.braverytrust.org.au).

## The Prince Who Stole Christmas

This delightful play was performed at SCDHS. There were lots of laughs as the "monster" tried to make friends. The three actors performed multiple roles which in itself was quite an undertaking.

Regards

Lyndy Richmond

Principal

## Upcoming Events

## Hats

As you know, the wearing of hats is a sensible and important concession to our climate. At MRPS, the wearing of hats for any outside activity is mandatory. The school's broad brimmed hat provides excellent protection **but only when it is worn**. Some students are cutting off the strings that keep the hat on so inevitably it falls off in strenuous activity. If you are purchasing a new hat for 2017, please emphasize to your child/children that the strings remain attached.

### Moorine Rock Primary School continues ...

1994	Moorine again listed for closure under the rationalisation scheme. Julian Grill MLA strongly opposed closure of the school. Education Minister Norman Moore replied that schools are considered against a certain selection criteria for possible closure or amalgamation. Closure did not go ahead.

### Former Student Memories

Margaret Della Bosca (Harper) has fond memories of Moorine School. Her memories began in 1942. 'I remember the doctor coming down from Southern Cross to give us all immunisation needles. We all had to get in a long line and out-of-town children went first. Two of the older girls from Mount Hampton ran away screaming and that started all the little children crying.

My first teacher's name was Mrs Powell. She was a very tiny lady, but had a big voice to make up for her size. Then my memories start again in 1945 after my family came back to Moorine Rock to live after the war. Our first teacher after the war was Mr Bradshaw. He stayed for only a short time. Then the school was shut down for six months owing to a shortage of teachers. The children did not mind this but I am sure the parents would have preferred we had a school to go to. Two students by the name of John and Gwen Gethin, who lived where Laurie Borona now lives, used to regularly walk 11 miles to see if a school teacher had arrived. And finding there was no teacher they would get something to eat at our place and walk home again. When school did recommence, they continued walking into school every day until they got bikes.

Our new teacher came in about October. His name was Mr Kinshella. He moved into town with his wife and two small children. The school then settled down to learning the program of the 3 R's as they used to be called.

We used to have gardens at school. The girls would grow flowers while the boys grew vegetables. Sometimes we spent more time in the garden than we did in the classroom. We liked it that way.

Mr Kinshella liked cricket and both boys and girls had to play the game. One day I was bowling and George Carstairs was batting. He hit the ball straight back and hit me on the head. I was knocked out and my intense dislike of cricket remained for many years.

Mr Kinshella also got the old tennis courts at the school going and taught us how to play tennis, something I think Moorine Rock residents appreciate even today. Both tennis and cricket are still popular in this area.

Another highlight of our school days was when Mr Perry Bowey came to town, pulling his truck with a team of horses. This only happened about twice a year.

I left Moorine Rock School after grade 6 to go to the Convent in Southern Cross. This was so I wouldn't have to do correspondence schooling.'

### Nude Food!

The 4-6 class has been learning about materials in Science this term. We have been seeing which materials decompose and finding out about plastic. We have also looked into what happens to all this plastic fantastic and we can tell you the results are not so fantastic, with so much of it ending up in landfill.

We collected our lunch and recess packaging on the 17<sup>th</sup> of November and we were shocked to see how much packaging we were using in ONE day.

If possible we would like to reduce our use of packaging and bring nude food to school. This means using reusable containers where we can.

Thanks for helping us to help the environment ☺

Mrs Collins

# Safe travels this holiday

Holidays will be here soon, so now is a good time to remind families about Child Car Restraint laws in WA. Young children need the right car seat for their age, correctly fitted to travel safely in a car. Adult seats and seatbelts alone are not safe for small children.

The Child Car Restraint laws tell us the type of car seats to use at different ages.

- **0-6 months** (minimum): children must be restrained in a rearward facing child restraint.
- **6 months - 4 years**: children must be restrained in either a rearward or forward facing child restraint with an inbuilt harness.
- **4-7 years**: children must be restrained in either a forward facing child restraint with inbuilt harness or booster seat restrained by a correctly adjusted and fastened seat belt or child harness.

For more information please visit the Roadwise website: <http://www.roadwise.asn.au/child-car-restraints.aspx> or call the Child Car Restraint Information Line on 1300 780 713.

You can find registered Type One Child Car Restraint Fitters in the Wheatbelt and throughout the state here: <http://www.roadwise.asn.au/childrestraints/>.

## End of Year Concert and Christmas Tree

An invitation is extended to parents and community members to attend our annual Christmas Concert and celebrations for our “90<sup>th</sup> School Year”.

It will be held at the School in the undercover area on Saturday, 10th December at 6p.m. Please join us for a night of fun and entertainment; the students have been very busy practising and learning songs for this event. Students need to be at school by 5.30 p.m. sharp as we need to get them dressed and ready for the Concert.

If you wish to have a look through the classrooms these will be open at 5 p.m.

When the concert concludes Santa will visit the children at school. After Santa has left all Parents and Community Members are welcome to attend the festivities held by the Moorine Rock P & C at the Tennis Club.

Light supper provided, spit roast and sausage sizzle for a small fee for those that are feeling hungry and for those that are thirsty a full bar facility will be available.

Hope to see everyone there!
