"Reach for the Stars"

From the Principal, Miss Sarah Perrett

Dear Parents & Care Givers,

3 Way Interviews

A very big thank you to all the parents who participated in the three way interviews with their child and teacher. We trust that this provided everyone with an opportunity to gain a deeper insight into your child's progress.

NAIDOC Day

Last week the whole school attended NAIDOC Day at Southern Cross District High School. Students participated in a range of activities from damper making, food tasting, painting, sports activities and listening to a guest speaker.

Thank you to everyone who made the day a success— WA Police— Southern Cross; Minjar Gold; Brian, Ethel and Kaye; and SCDHS and St Jospeh's PS.

YSSSA Athletics Carnival

On Friday 6th September (week 7), all Pre-Primary to Year 6 students will participate at the YSSSA Athletics Carnival in Southern Cross. As in previous years, parents are once again asked to take their own children to the oval and pick them up at the end of the day as no buses will be running. A note with more details will be sent home in the coming weeks.

We currently require three people to assist with jumps and throws, two ribbon pinners and someone to bring the shade from the school to the oval. If you are able to assist, please contact the school office.

GWN Weather Wall

Each Friday students collect weather data here at school (rainfall, temperature) and students' names are read out during the 5:30pm GWN 7 news (approximately 9 minutes in). Please see the roster below. On 16th August and 6th & 27th September photos of students will be shown (time permitting). If you miss the live broadcast, please visit the GWN Youtube Channel.

Enrol in VacSwim

Join in the fun of learning to swim these school holidays. Enrol your child for October and January

VacSwim is Australia's longest running program, operating for more than 100 years. VacSwim offers swimming lessons for children aged five to 17 years of age, in both the October and January school holidays.

Your children can join in the fun of learning to swim and vital swimming and water safety skills with lessons conducted at pools and open water venues across the State.

VacSwim has grown from its beginnings in 1919 when five instructors taught 248 children at three venues, to become the largest vacation swimming program in Australia. In recent years, 55 000 children participate in lessons each year with more than 1500 qualified instructors at more than 180 locations throughout the State.
