Principals Message

Dear Parents and Guardians,

Welcome to Week 7. This term is flying by and students are very busy in their classrooms. This week we were very excited to finally have our brand new basketball court finished. Our lovely Year 6 student Lucy cut the "ribbon" to officially open our court. This court has been funded by the Department of Education's High Priority Maintenance money we were allocated last year. The court is vibrant and really brightens up our school environment.

This week we have started to lift some of the restrictions that have been in place for the start of the term. A majority of the playground equipment has been opened as well as the art room toilets. Parents are now permitted to be on site for the purpose of pick ups and drop off as well as prearranged meetings such as P+C and School Council. Assemblies, interschool sporting events and camps are allowed to resume. This means that on the 26th June (Friday Week 9) students from the senior class will be putting on a show for this terms assembly. Additionally, we will be holding our book fair and our biggest morning tea on the same day. This will be a fun filled day and will mark the start of school getting back to normal. We look forward to having everyone back. Please note if your child is showing any signs of illness please keep them at home as this will reduce the impact if for any reason we unfortunately have a second wave of COVID 19.

Last week in Drama, students completed their shadow puppets and performed their Aesop Fable plays. Students did a marvellous job with their puppets and enjoyed seeing each others performances. Last week we finished off our footy unit and are moving on to netball so we can use our new court. In Health, both classes were discussing networks and the people we trust to go to when we need to talk or need help. These people may include family, close friends or trusted community members.

Lauren Suttie
Principal

8	15/6 P and C Meeting held at school commencing at 2.30 pm	16/6	17/6 Morning Assembly commencing at 9am	18/6	19/6	20/21

FROM OUR JUNIOR ROOM WITH MISS SCOTLAND

We are learning to be word detectives in the Junior Room. We have been focussing on re-reading to make sense and to make our reading fluent. To do this we need to blend our words to make it sound right and check it if it looks right. We used slinkies to stretch our words and we had to match simple sentences with the correct picture. We re-read to check our work was correct. We are becoming excellent readers."

FROM OUR SENIOR ROOM WITH MISS CASTLEDEN AND MRS NICHOLL

Hi Parents

This fortnight has been a blur with the students having a lovely long weekend. Our surprise from last week was a message in a bottle! We found a letter from students stranded on an island. They did a fantastic job persuading us to rescue them and the Australian

Embassy will be contacted.

We have been introduced to an app to help us learn Indonesian on the iPads and the students had a blast playing all of the fun games. This week we will wrap up angles; all students have shown amazing progress in their understanding and I am super proud of their progress. What a busy two weeks of work! I can't wait to see the Senior Room flourish in the next half of term.

Miss Castleden

With excitement the students have finally been able to print their luggage tags with the 3D printer. Thanks to Mrs Kent and Miss Suttie for their efforts in getting the software and printer to work. On Friday the class created a flag for the country they are researching in HASS. This showed the skill developed with the Tinkercad program as they all managed to build their flag in one lesson. The students are continuing with their studies of the earth's landscape and changes - so this week we will be exploding a volcano. In literacy we are going to analyse and create a printed advertisement, so another busy Friday.

Mrs Nicholl

HAPPY BIRTHDAY

Felix Lawrence

13th June

Evie Glass

19th June

AWARD RECIPIENTS

Felix Lawrence: For using adjectives and verbs to create detailed recounts and report writing. You are a star.

Daniella Berry: For always doing her best and helping others. You are a gem.

SCHOOL NOTICES

P and C Meeting

Please note change of time for the P and C Meeting which is to be held at the school commencing at 2.30 p.m. on Monday, 15th June.

Bookfair

Finally we will be able to hold our Bookfair. This is going to be held on Friday, 26th June at school

Our New Court!!

Bookfair

Finally we will be able to hold our Bookfair. This is going to be held on Friday, 26th June at school together with the end of term assembly, everyone is most welcome to attend.

Last term colouring-in competitions etc were handed out and I have only received a few back, if you would like some more printed off please let me know.

We will be having a best dressed competition also on this day, if your child could come dressed in something that goes with our theme of "Enchanted Forest" that would be wonderful.

Fun and games and prizes will be had on this day.

Josie

Department of
Education

Public education
A world of opportunities

Apply now to enrol your child in Kindergarten.

If your child is four years old by 30 June 2021 you can apply to enrol them in Kindergarten for 2021.

Contact your public school or community kindergarten by 24 July 2020 to apply.

At the time of enrolment your child will need to have an 'up to date' AIR immunisation history statement.

Every day of a child's education matters.

To find a public school in your area visit
education.wa.edu.au/schoolsonline

If you could please ring 90 491 176 to make an appointment for enrolment that would be greatly appreciated.

Mobile Black Spot Program

On the 21st April 2020, the Australian Government announced the outcome of the \$380M round 5 of the Mobile Black Spot Program. Ghooli was successful in being chosen to have a Macrocell Optus Base Station installed.

There are plans to conduct a round 5A, which will be used to test a range of different program designs.

Could you please write to me with your mobile black spot concerns. If you are able to put forward your ideas of the best location to have a base station in our area.

I would like to compile a list of locations to present to council on your behalf. If all correspondence could be sent to me by Friday, 12th June 2020.

If you need any further information please contact me on 0437 530 848 or email cr_rose@yilgarn.wa.gov.au

Kindest regards

Linda Rose

Yilgarn Amateur Basketball Association

The Junior basketball AGM will be held on Thursday 2nd July 2020 at the outdoor basketball courts at 4:30pm (behind the oval).

Parent attendance is vital as we will be discussing the season possibly changing from Term 4 to Term 3.

All positions declared vacant.

We rely on volunteers, so if you are able to help out with umpiring, coaching, scoring or in the canteen, please let one of the committee below know ASAP.

Thank you

Bianca 0429001817 and Petrina 0427090302
