Principals Message

Dear Parents and Guardians,

Welcome to the last newsletter of Term 2. I can't believe how quickly the term has flown by and it is not going to be slowing down in the next eight days. On Friday, we will be holding our first whole school assembly, Book Fair, open classrooms and our annual Biggest Morning Tea. All who wish to attend are welcome to do so. We are going to kick off the day with the Senior Room's assembly starting at 9am. The seniors have created a fantastic show to present to you. The juniors students will also present a small item. Following this we will hold our Enchanted Forest Book Fair, where you are encouraged to purchase books and participate in the games Mrs Kent has set up. We will also be handing out prizes for best dressed and colouring competitions. Open classrooms will follow allowing parents to walk through the classrooms. Games and activities will be set up and parents will be able to look at some of the work students have done this term.

The Biggest Morning Tea will be held at recess with all parents, guardians, guests, staff and students welcome to attend. Each family is asked to bring a plate to share and a gold coin to donate to cancer research. As we are a nut free school, please ensure your plate is completely nut free. We look forward to seeing you all at this event.

Reports will be emailed home on Friday afternoon and parent interviews will be held next Tuesday June 30. Thank you to all the parents who have put their name down for an interview.

Next Wednesday, the students from the Senior Room will be travelling to Southern Cross to participate in the Football and Netball Carnival with St Joseph's and Southern Cross District High School. An information form and permission slip will be sent home tomorrow. We are looking forward to this excursion as it marks the first time we are able to participate in inter-school events this year.

Finally next Friday is the final day of Term 2. I would like to thank you all for your support and patience this term. It has been greatly appreciated. I hope you have a enjoyable and relaxing holiday and travel safe if you are heading out and about.

Principal

FROM OUR JUNIOR ROOM WITH MISS SCOTLAND

The Dinosaur Museum has arrived at Moorine Rock's Junior Room. For the next two weeks we will be focussing on Australian money and using it to purchase dinosaurs at the museum. We are now mini palaeontologists and are on the hunt for fossils and bones. We cannot wait to show you our classroom on the class open day, we will have games and our portfolios to take a journey with us through our learning process so far.

FROM OUR SENIOR ROOM WITH MISS CASTLEDEN AND MRS NICHOLL

I can't believe it is nearly the end of term! The children seemed to have enjoyed learning about natural disasters and the changes to the earth's surface. I bet we have a future geologist in the classroom. To finish the topic for this term we will be integrating STEM with science and literacy. The students will be writing a news interview for when an extreme weather or natural disaster event has taken place and then creating a model of the set where this interview could be occurring. I am anticipating a lot of creativity in this project and look forward to the end results which will be displayed in the school. Enjoy the holidays and see you next term. Mrs Nicholl

This fortnight in the senior room, we looked at symmetry in the environment and creating beautiful symmetrical images. We have also been learning about transformations in maths. In English we have started planning our own persuasive letters. We have been working hard to get our assembly ready and we are looking forward to sharing our amazing work at the end of the week!

Miss Castleden
