Principals Message

Dear Parents and Guardians

It has been a very busy term and it is nearly coming to an end.

Camp

We look forward to sharing all the photos, memories and experiences with you from camp. I will send a text message to parents when we leave Kalgoorlie on Friday afternoon. We are expecting to arrive back at school on Friday around 3:30 pm. Here is a photo of us before getting on the bus this morning.

Tokens

Congratulations to all the students who have received their 50 token rewards this term.

You are truly role models for your peers. Well Done!!

Lunches

As we are nearing the end of Term 3, please be advised that Pie Warmer lunches are not run in term 4.

Teaching

Students have been working hard in the Art room over the last two weeks. They have been working on their Dragon Eye work which is focusing on the line and graduation art elements. In digital technology, junior students have been working on insert pictures into their digital treasure map and seniors have been working on a PowerPoint quiz utilising hyperlinking.

I hope everyone has a safe and happy holiday. Term Four starts for Teachers on Monday 12th October and for students Tuesday 13th October.

Kind Regards,

Lauren Suttie
Principal

Junior Room Pirates

Well done Junior Room on a ARGHHH-SOME assembly item. You entertained your audience and spoke so fluently. We hope you liked the assembly as much as we did. Two more weeks to go and we are yo ho ho ready to set sail into our well deserved holidays.

FROM OUR SENIOR ROOM WITH MISS CASTLEDEN AND MRS NICHOLL

It has been a busy term and is great to finish with a camp. The last week we will refresh our learnings on electricity - even making a circuit with playdough! Next term I will integrate the STEM project with some woodwork. If there are any willing helpers who have some ability in this area and are willing to help in the class can they please contact me. It would be great if I could get some assistance when the students are at the actual stage of building their wood masterpiece. Mrs Nicholl

Hi Parents,

Congratulations to the Junior room on a wonderful assembly! In the senior room this fortnight we have been wrapping up our measurement unit. The students have done a wonderful job of using standard measuring equipment such as measuring tapes, rulers, and trundle wheels. As well as informal units to measure area.

We're all looking forward to camp this week! I can't wait to explore Kalgoorlie with the senior students and I hope the parents all enjoy a bit of a break before holidays!

'SCHOOL LUNCHES

Due to all of the confusion about lunches last week we have decided to keep school lunches on a Thursday only (where we deliver). This will hopefully save any confusion in future.

We appreciate your understanding and hope you all have a great day!

Thanks from Jo and Nick @Moorine Store'
