Principals Message

Dear Parents and Guardians

Well, the time has finally come for the last newsletter of 2020. This year has been incredibly complicated, but we have all made it out the other end. I want to thank all members of the community for their support and patience this year. I have been amazed by the level of engagement from parents and the community. It is a unique place to work and I couldn't be more grateful.

Christmas Concert

On Saturday, we will be hosting our annual End of Year Concert and Awards Nights. Students have been hard at work practising for their item and it is looking great. On Saturday, we ask that students be at school by 5:30 pm in their school uniform to allow time for them to change into their costumes. Students will then change back into their uniforms for the Awards section of the night. Due to Western Australia still being in Phase 4, we wish to remind parents and community members to social distance where possible and maintain a high level of hand hygiene. There will be hand sanitizer available for use throughout the evening. As we are a school, we are not required to have a contact register for the audience to sign but we do ask that if you or a family member is ill that you do not attend the night.

Christmas Party

Wednesday 16th December is our annual Christmas Party. The afternoon will start at around 12 pm with a shared lunch, Secret Santa, cutting of the Graduation Cake and Christmas games. We will then set up water play for all students. If students wish to participate in water play, they will require bathers and a clean change of clothes to change into at the end of the day. This year as a final celebration we are inviting all families to join us. Our playgroup and three-year-old kindy students are also invited to join. It is our hope that we can get most of our school community together to enjoy our Christmas celebration and a final farewell to our leavers, Lucy and Ethan. Remember a Christmas t-shirt is encouraged, and we hope to see you there.

Parent Interviews

Thank you to all the parents who have booked in for a parent interview. Times have been sent out, please be prompt to your allotted time slot.

Finally, I would like to wish you all a very Happy Christmas and New Year period and a relaxing holiday. We will see our Pre-Primary to Year 6 students back at school on Monday 1st February 2021 and our Kindy students on Thursday 4th February 2021. We look forward to what 2021 has to offer us. Thank you.

Students Reports

Student reports for this semester will be sent home via email on Friday 11th December.

If you have recently changed your email address or would prefer to receive a hard copy of your child's report, please let the front office know as soon as possible.

FROM OUR SENIOR ROOM WITH MISS CASTLEDEN AND MRS NICHOLL

Hi Parents,

As our end of year assembly approaches, I just want to thank all of you for your support in getting the kids ready for their big night. We have been practicing hard and all students are doing a fantastic job, I can't wait for you to see their efforts pay off this weekend!

This fortnight the students have been enjoying their swimming lessons at the new pool! It is fantastic to hear the students are so excited about their lessons and that they are working hard to master new skills.

Let's keep up the great work for the last two weeks of the year!

Miss Castleden

Our woodworking projects will be finished this week, ready to be placed under the Christmas tree! This has been a great activity to finish the year, it has been fantastic to watch the students create pieces that they are proud of. Thank you for all the support you have given me and the wonderful children in my class this year. Merry Christmas to all and have a wonderful holiday ready for a fresh start next year.
