Principals Message

Dear Parents and Guardians,

The Super Science Circus Show

On Wednesday 1st September, students from Moorine Rock, St Joseph's and Southern Cross DHS will participate in a science circus show held at Southern Cross DHS. This show is an incredibly inventive, interactive and educational show that uses the fun of circus, comedy and magic to inspire scientific inquiry into the natural, physical and material world. Students will be travelling via bus, driven by Mrs Nicholl, to Southern Cross for the show. Students can bring hot lunch to school as we will have a early lunch and then travel to Southern Cross.

Father's Day

Our annual Father's Day event will be held on the 2nd September starting at 1:15pm. We will have our traditional sausage sizzle lunch then hold a Dad's and Kids Minute to Win it Event. Students will be competing with their dad's against others in small 1 minute challenges. We hope to see all our father's at this event, this also includes Grandfather's.

On this day, students will have their lunch at the normal time (12:40pm) but then have a sausage sizzle lunch with their dads at 1:15pm. If you wish to pack your child lunch on this day then please feel free to do this. Alternatively, you may wish to pack additional snacks for your child to tide them over until their sausage sizzle lunch. **Lunch orders** will **not** be available on this day.

Athletics Carnival

This Friday is our athletics carnival held at Southern Cross Oval. A program was sent home last week with each students events circled. We will be starting the events at 9:30am sharp. Please ensure your child is at the oval and ready to go by 9:15am. There will be a sausage sizzle lunch available on the day for students to purchase. Unfortunately due to a schedule conflict I will not be able to attend the athletics carnival but I look forward to hearing from our students on Monday about how they went. Go Moorine Rock!

Assembly

This terms assembly will be held on Thursday 16th September in the undercover area. The assembly will feature students from kindy to year 6 showcasing what they have learnt in music this term. We look forward to seeing our wonderful community at this event.

Lexile Legends Lunch

This terms Lexile Legend Lunch will be held on Wednesday 22nd September. We will be making pizzas from scratch. Senior room students who have achieved 20 Lexile points or more this term are eligible to attend. We currently only have one student who qualifies for this lunch. This student being Chelsea Glass. I encourage all students to be reading at home and completing Lexile quizzes at school to check their comprehension of their books. I hope to see more students achieve their 20 point target in the next couple of weeks.

Science Week Sleepover

A would like to extend a big thank you to our wonderful teachers Mrs Nicholl and Ms Burton for running our Science week sleepover. From what I have heard from students they had a fantastic time learning about the mining process at the Westonia mine and cooked an amazing meal in the evening. Thank you for your effort and assistance in running the event. I would also like to take our wonderful parents who assisted on the day.

Olympians Visit

Today we were very lucky to be visited by two Olympians Lucy Marsh and Jen Reilly. Students heard about Jen Reilly and Luci Marsh heard their stories about their Olympic journey as well as how to build resilience, the importance of setting goals and how to find what you are passionate about. A Big thank you to Jen and Lucy for coming to our school.

Lauren Suttie

Term Three Week Six

Senior Room Star of the Week
Term Three Week Six

FROM OUR JUNIOR ROOM WITH MS BURTON

Kindy students have been learning about the letter E and the number 7. We have also enjoyed our morning fitness practising kicking throwing rolling and catching.

The Year 1/2 have been learning about when to use conjunctions in their writing. We even have been working outside in the warmth. The juniors have been very busy practising for the sport carnival this Friday.

FROM OUR JUNIOR ROOM WITH MS BURTON

3 Year old kindy saw us with 3 students. We also have done some dot painting and going outside to play.

FROM OUR SENIOR ROOM WITH MR ELLIS AND MISS SUTTIE

More nonsense from the senior room

We have been continuing our study of nonsense poetry by looking at spoonerism, where the first letters of words are mixed up. For example, **Mrs Kent** becomes **Kisses Ment** or **Smart Feller** becomes, you can work that out.

The student have been changing nursery rhymes around and their finished poems are on display in the school office. I include pictures below.

FROM OUR SENIOR ROOM WITH MR ELLIS AND MISS SUTTIE

School Sleepover

Last Friday we had a break from the classroom to celebrate Science Week. The day started with a trip to Westonia where we visited the mine site and even heard a blasting, wandered through the museum and had a quick stroll through the bush searching for wildflowers.

On return to the school, students cooked and shared a delicious meal of spaghetti carbonara and chicken caesar salad, topped off with brownies and ice cream. After a quiz night it was a quick game of spotlight and a movie before bed.

Many thanks to Jill Glass for suggesting and organising the day, Lani Hales for her museum and wildflower tours and for Emma Berry, Lisa Jackson and Leah Lawrence for their help with activities back at the school.

HAPPY BIRTHDAY

Maddison Berry 2nd September
Regan Auld 9th September
Jayke Krauss 13th September

This interactive white board is available for free, but you need to pick up from Moorine Rock Primary School or arrange freight at your cost.

Board is in working condition and we are getting rid of it as surplus to our needs.

Measurements of Board and stand:

Height 2 m 2 cms

Length 2 m 12cm

Comes with one pen

HAPPY BIRTHDAY WISHES:

YSSA

Fun swimming lessons for children aged five to 17 years of age in both the October and January school holidays.

Enrolments for VacSwim in October and January school holidays are now open!

Find a program near you and [enrol now](#).

VacSwim has helped children across Western Australia to stay safe and confident in the water for over 100 years. We offer:

- ▶ vital swimming and water safety skills
- ▶ lessons for beginner, intermediate and advanced swimmers
- ▶ a variety of [programs](#) ranging from five to ten days
- ▶ opportunities to progress through [stages 1-16](#) and obtain [Bronze Medallion](#)
- ▶ lessons at over 180 pool and beach [locations](#) throughout Western Australia
- ▶ friendly, qualified swimming staff.

Dear Parents/Caregivers

This is a quick note to let you know we will be holding a general meeting for junior basketball on Friday the 3rd of September 2021 at 4pm at the outdoor courts.

The juniors are now affiliated with the seniors, and we are now all known as Yilgarn Mixed Basketball Association. Even though we are one we are running as YMBA juniors and YMBA seniors.

The meeting will be about how the season will run and we chasing as many parents input as possible, we are also chasing a sub-committee to help run the day-to-day running's of the season.

If you can volunteer, we would also greatly appreciate that to. If your child would like to play, we can also do registration as well at the meeting as we know are running through a software package.

If you have any questions, queries, or concerns you can jump on our Facebook page Yilgarn Basketball Association and leave them there or send a private message and one of the committees will return an answer to you otherwise we will see you then.

MERREDIN COLLEGE
