

# MOORINE ROCK PRIMARY SCHOOL

## Newsletter

Issue: 17

12th October, 2021

### Principals Message

Dear Parents and Guardians,

Welcome back to Term 4. I trust you all had an enjoyable break and are ready for term 4.

#### T20 Cricket Day

On Thursday 14th October, students from Year 3–6 will attend the Woolworths Cricket Blast School Cup day in Southern Cross. All students from Year 3–6 are expected to attend as it is a part of our physical education program. There will be NO shop lunches for senior students on this day. They will require a packed lunch and recess as well as a water bottle. Please ensure your child has on decent footwear and sunscreen in the morning. Students will have access to sunscreen during the day. Junior students will remain at school with Miss Burton and Mrs Capelli and can still have shop lunches.

#### Icy Poles

As we are entering Term 4, pie warmer lunches are no longer available and the year 6 students will be selling icy poles for 50c on a Friday afternoon. The year 6 students will decide on what they would like to raise money for each term. This term they have decided to raise money for animal charities. Thank you for supporting our school and this fantastic cause.

#### Scitech

On Tuesday 19th October, we will be hosting a Scitech show for both the Junior and Senior rooms. The seniors will participate in a show and workshop titled “Element of Surprise” and the junior students will participate in a “Mix & Make” show and workshop. Both the show and workshop focus on the Chemical Science curriculum which has been our focus during science lessons in term 3. We look forward to these shows and I hope students enjoy the opportunity to explore some science concepts in an engaging way.

#### Swimming Lessons

Swimming lessons have been confirmed for Week 7 & 8 (22nd November to 3rd December). The lessons will be run in the usual format where students from year 1–6 take their lunch to the pool and eat when their lesson is over. Kindy students do not participate in, in-term swimming lessons. They will remain at school with Miss Burton for the duration of the lessons. As more information becomes available to us regarding swimming lessons, we will pass it on.

Lauren Suttie  
Principal

## Upcoming Events

Week	Monday	Tuesday	Wednesday	Thursday	Friday	Weekend
<b>Week 1</b>	11/10 School Development Day Students Do not Attend School	12/10 Kindy Day Newsletter	13/10 3 Year Old Kindy	14/10 Kindy Day	15/10

## STARS OF THE WEEK AND MERIT AWARDS FOR THE TERM

### Merit Awards

**Angelo Guerini** for working consistently and being a polite and co-operative class member.

**Jye Jackson** for his growing maturity as a grade 3 student in the senior class.

**Chelsea Glass** for your friendly greeting every morning and your great class work.

**Daniella Berry** for always giving 100% to all aspects of school life, you are a super star Daniella.

**Reece Jackson** for being helpful to other class members when completing translations in Indonesian.

**Evie Glass** for completing and writing science investigations correctly and independently.

**Brodie Maddock** for his work in letters and number recognition.

**Aliyah Dickenson** for completing tasks to the best of her ability.

**Caitlyn Krauss** for her positive and happy attitude to school life. Keep on smiling Caitlyn.

Junior Room Star of the Week  
Term Three Week Ten

Senior Room Star of the Week  
Term Three Week Ten

## FROM OUR JUNIOR ROOM WITH MS BURTON

Last week of school we enjoyed making waffles, number bingo, and going on a shape hunt. I am looking forward to seeing what we get up too in term 4.

## FROM OUR SENIOR ROOM WITH MR ELLIS AND MISS SUTTIE

Welcome back to Term 4. The year seems to have flown by and this term will be busier than ever. This term our school theme is Christmas and I am excited to be doing activities related to this and teach the students about the Christmas story and Christmas traditions.

For our 50 day reading challenge this term the reward will be secret Santa, to be organised by me. To qualify, students need to read 50 nights and gain their 20 lexile points, which should be easy if they are reading properly. Students have all been informed of the requirements last term. Also in the newsletter are some pictures of the students participating in last terms fire lighting and campfire cooking reward. Well done to all these students.

Below are pictures of our last nonsense poetry series of lessons. Students were asked to alter the 12 days of Christmas song, then transfer it to a power point, add suitable illustrations and add the music so it could be sang along with. Below are a few students final power point slides.

Reece Jackson – The twelve days of farming fantasy

On the twelve day of the farming fantasy my true love gave to me

- Twelve tractors talking
- Eleven eggs-a- eating
- Ten tedders training
- Nine knackered nodwells
- Eight energetic ewokians
- Seven skid steers shovelling
- Six sprayers spraying
- Five Fuchsia fields
- Four Ferrari farming
- Three trashed tritucaps
- Two terrible Terex
- And a ORTZ in a old oak tree

- 5 boats-a-bopping
- 4 vans-a-vaulting
- 3 rafts-a-ripping
- 2 kayaks kicking
- And a sail boat sailing on the sea

FROM OUR SENIOR ROOM WITH MR ELLIS AND MISS SUTTIE

# 50 Nights of Reading

## From The Art Room

The final term is suddenly upon us, but it will still be full of many learning experiences.

**Junior Science** – the junior students all scored well in their ‘materials’ test at the end of term so after a couple more investigations of the changing and purpose of a material we will complete a STEM project to apply this knowledge to a problem solving situation.

**PE** – We will continue with our development of teeball/softball skills. Hopefully by the end of this program the students will not find the use of the mitt so unusual.

**Indonesian** – The students are still completing the inclusion of body parts in basic conversations. I aim to complete oral tests on a conversation in Indonesian from week 3.

**Computer Skills** – The students can now make their own collages on Scratch with a multiple of characters changing direction, speed and size. Next we will add speech bubbles and sound in preparation for their story project.

## SAVE THE DATE

Christmas Concert and Awards Night will  
be held on Saturday, 11th December  
commencing at 6 pm.

Everyone is welcome to attend.

# Happy Birthday

No birthdays for this coming fortnight

## School Lunches

The Moorine Rock Hotel is no longer doing school lunches and the Moorine Rock General Store will be doing them again.. Thank you to the Lance and Emma for doing the lunches for us.

A new menu was sent home last term with the students. If you did not receive yours, please let me know.

Please have your orders in prior to Thursday morning. Accounts will be offered again, please contact the Shop on **0499 390 926** to organise.

## Pie Warmers

Pie warmer lunches will cease this term as the warmer weather is here.

# TERM 3 ASSEMBLY
