Principals Message

Dear Parents and Guardians,

COVID-19 Update

Yesterday, the Premier announced Level 2 public health measures which will come into effect on Thursday 3 March. They include the requirement for adults and children in Years 3 and above to wear masks at all indoor public settings.

This means our students in Year 3 and above will now need to wear a mask indoors at school. The usual exemptions apply, such as removing the mask to eat, drink, take medicine or while doing vigorous exercise.

You may wish to speak to your child about wearing a mask, and that their friends will also be wearing them. Wearing masks in the classroom will help to reduce the spread of the virus. If your child is in Kindergarten to Year 2, you may wish to let them know that they will see other children around the school wearing a mask, just like their teacher does. Our staff will continue to explain to our students the importance of wearing a mask to support each other and help keep our community safe.

Parents are required to provide their child with masks for their school days. We have a small number of child's masks on hand but they are for emergencies only.

Voluntary Contributions

Your voluntary contributions assist the school in providing materials to improve your child's learning experiences. It would be fantastic if all contributions could be received during Term One. Please pay by direct deposit to our ANZ Account. The Voluntary Contribution of \$40 equates to \$10.00 per term.

Labour Day

Monday 7th March is a public holiday. Staff and students **do not attend school**. We will welcome students back to school on Tuesday 8th March. Enjoy your long weekend wherever you may end up.

School Council

I am still seeking one parent representative for our school council. It is imperative that another parent joins. The school council is a vital aspect of our school governance. If you are interested in or would like to find out more please contact me as soon as possible.

Olympics Day

I would like to extend a big thank you to our wonderful students and school community who helped raise \$78.60 for the Moorine Rock Bushfire Brigade. We have been told that the money will be put towards a new fridge for the fire truck. Congratulations to our student leaders who successfully ran their first fundraiser. We look forward to more in the future.

Principal

FROM OUR JUNIOR ROOM WITH MS BURTON

Our first dress up day at Mooring Rock and the students looked fantastic in their outfits. A huge thank you to Miss Suttie for organising some Olympics sports day activities. We really enjoyed playing the games and joining in with Seniors. The junior room really enjoyed the chocolate egg and spoon race, discus throwing with paper plates.

Our Pre-Primary have been learning how to log onto reading eggs and using the lipads. We also have been learning how to form the letter A correctly and how to correctly hold a pencil.

FROM OUR SENIOR ROOM WITH MR ELLIS

Hello to all from the Senior Room

Learning is now in full swing and students are back into the daily rhythm of the classroom. In History we are looking at Celebrations and Commemorations this term. We have started with Chinese New Year and are moving on to ANZAC day. Later in the term there will be an opportunity for students to work on a project about a special day at home.

Above is a picture of some of the class dressed in Chinese costume as part of our learning.

For our reading reward this term students who complete 40 nights of reading and gain 20 Lexile points (at school) will get to come to lunch with Miss Suttie and I at the Moorine Tavern.

In writing we have been concentrating on narrative writing, that's story writing for the older ones among us. We have started with 'sizzling starts'. That is trying to write an exciting opening to a story to get the reader hooked. Below are examples of all students efforts on a story called 'The Birthday'.

The Birthday Claire 16-2-2022
