Principals Message

Dear Parents and Guardians,

Our first fortnight has flown by and I have really enjoyed getting to know the kids, staff and families of Moorine Rock. Spending time in the classroom has allowed me to get to know each students individual personality and I'm learning more and more about what they enjoy (and what they don't!) about school.

I have taken on teaching art to the whole-school on a Friday and even though I am not the most 'artsy' person on the planet, our stained glass poppies and milk bottle necklaces have turned out well. Stay tuned for more adventures in this space over the coming term!!

Mother's Day

Thank you to all the mother's and grandmother's who attended our Mother's Day Celebration last week. The turn out was spectacular and I know the students loved pampering their loved ones for the afternoon. Thanks to Ms Burton for organising this event and a special mention to Emma and Lance Booth from the Moorine Rock Hotel for supplying the afternoon tea. The spread was absolutely spectacular!

Cross Country

At our YSSSA meeting last Wednesday, we decided to run a interschool cross country between St Joseph's Primary School, Southern Cross District High School and Moorine Rock Primary School on Wednesday 1st June. This event will be run on the cross country track around Moorine Rock School. Students will be split into three age groups; Under 8, Under 10 and Under 12's. The distance students run will increase as the age group increases. Parents are welcome and encouraged to attend. Students will be selected from the winners of the Cross Country to compete at the Bruce Rock Interschool Cross Country, which will be held on Friday 17th June. More information will be given out closer to the day.

PIE WARMER LUNCHES

Students may bring lunches from home that require warming up in the pie warmer on **Mondays only**. Food is to be brought in an appropriate container (oven proof) or wrapped in alfoil. Please mark your child's name on their lunch for ease of distribution.

To assist the school in providing a safe environment, please consider the contents of your child's lunch box. Please see the Department of Education's Healthy Food and

Drink policy in the newsletter.

Please note, icy poles will no longer be sold during Term 2 and 3.

Ready
For
School

This week we have seen the junior room complete their first lot of spelling homework. All the feedback was the students absolutely couldn't wait to get home and do their homework. I love seeing their enthusiasm. Here are a few pictures of our spelling in the junior room.

FROM OUR JUNIOR ROOM WITH MS BURTON

This fortnight the junior room we have been very busy making and cooking for our gifts, for Mother's Day. It was so great seeing nearly all parents attend such a great event to celebrate Mother's Day.

FROM OUR SENIOR ROOM WITH MR ELLIS

G'day from the Senior Room

Well, the term is starting to get into full swing and now that Mother's Day has passed and before assembly preparation starts, we have an opportunity to get stuck into our work. This term for English we are focusing on writing Persuasive texts and in Maths we are looking at Fractions and Geometry. For History this term we are looking at colonisation to start and hopefully the gold rush later on. Mrs Boehme is teaching Biological science we are covering the rest of the curriculum between us.

It has been great to see several students getting stuck into their home reading, with a few less enthusiastic readers needing a prod along from parents, please.

I am teaching on Fridays this term to help Mrs Boehme out and am looking forward to having a few weeks of full-time teaching. It is especially good to teach on Friday as it is the day on which the weeks pressure can ease off a bit and allows me to teach with more flexibility.

It was great to see most parent at the Mother's Day afternoon tea last week. I hope you all enjoyed the gifts and cards as much as the student enjoyed making them.

Below are a few pictures from my first Friday, sadly Jye and Angelo were sick.

Shire of
YILGARN

Environmental Projects E.O.I. 2022

The Shire of Yilgarn is seeking expressions of interest from landholders who are interested in planting saltbush or pasture seed on poor productive farming areas.

Your Contact details:

Name:

Your preferred option (circle):

- Pasture seed monetary assistance. Matching \$1 spent with an additional \$1 up to the value of \$1000.
- 2, 3 or 4 hectares Oldman Saltbush (farmer contribute \$0.30/seedling)
_____ Ha
- 1,2 or 3 hectares Yilgarn Mallee/Oil Mallee/Gimlet mix (farmer contribute \$0.30/seedling) _____ Ha

Property water point location (where seedlings are to be delivered to, must have a water source):

Phone/Mobile:

Email:

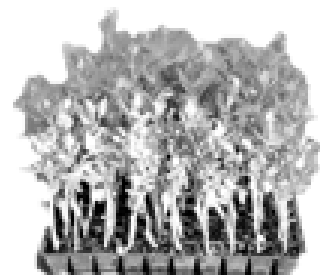

Declaration and Signature:

I declare that the information provided on this application is true and accurate to the best of my knowledge. I will look after the seedlings once delivered. I will pay the Shire subsidised invoice.

Signed: _____

Name: _____

Date: _____

Assessment Criteria:

Preference will be given to landholders who haven't received many/any Shire projects in the past.

- Species must be planted to tackle poor production areas (issues such as salinity, wind erosion, or other 'land degradation matters').
- Pasture seed must be purchased & planted within the financial year of 22/23. Proof of purchase to be shown. Planting timing may be weather-determined.
- Saltbush Seedlings will be delivered on-farm early July 2022. Applicants must be able to accept, care for (water every day) and plant seedlings at any time within this period.
- Stock must be kept off seedlings for the first 12 months.

Planting information:

Seedlings should be planted in blocks or belts at 1000 stems/ha depending on soil capacity and layout. There should be barley grass present as indicator that the species will survive on intended site.

Seedling Information:

The Shire of Yilgarn is proposing that a subsidy of 30 cents per seedling be paid by the receiving landholder to help offset the costs involved (each seedling costs 60 cents). ~~Oldman~~ Saltbush is native to the semi-arid areas of Australia and is well adapted to conditions. Yilgarn Mallee. ~~Oil mallee~~ and Gimlet are native and great for wind breaks for stock protection and reducing soil erosion.

For further information please contact:

Rebecca Maddock rebeccamaddock@hotmail.com or ph: 0438 068 439.

Please return the application by email (as above) asap.
