### Principals Message

Dear Parents and Guardians,

It has been another busy fortnight at MRPS with students completing some fantastic work and participating in the YSSSA Cross Country event. We have also been affected by covid, with two staff and one student testing positive in the last week. Please remember that if your child has ANY symptoms, they need to remain at home to stop the spread of germs. If your child tests positive, please follow the WA Health guidelines and notify the school immediately. With our staff being affected currently, it is important that we know how many students will be at school each day.

Wednesday 25th May was National Simultaneous Storytime and we were very excited to have two officers from Southern Cross Police Station visit to read the story for this year, which was called 'Family Tree.'

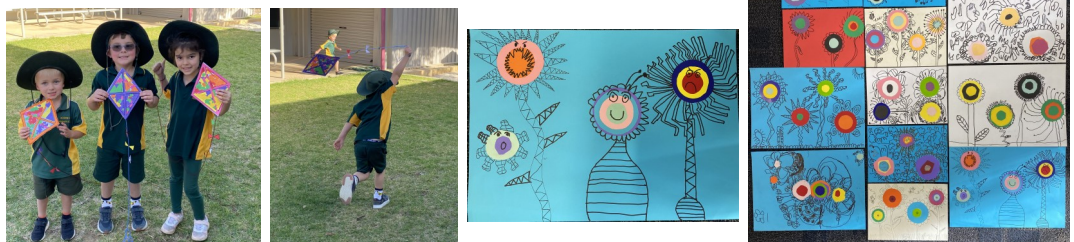

We wanted to acknowledge the efforts of all our students who participated in the YSSSA event on June 1st and in particular, mention our 12 Years and under Champion girl Claire for an outstanding run. Claire, Reece and Felix will be participating in the Interschool Cross Country Event in Bruce Rock on Friday 17th June and we wish them all the best for the day!

I have also been enjoying working with the junior room students on their letter knowledge and last week we made kites for the letter k. The kids enjoyed flying their kites around the playground before home time. Whole school art has also been enjoyable with students completing their flower artworks and commencing a new project called 'moving lines'. We will hopefully have these completed and ready to share in the next newsletter.

Stay safe everyone,  
Mrs Boehme

### National Reconciliation week

Last week was reconciliation week Be brave make change. The junior room participate in a colouring in competition where the senior came over to vote for the best colouring in. The winner is Aliyah Dickenson congratulation to all it was a very close vote.

During reconciliation week we also read the book Finding our hearts. The book is about understanding Australia's past so we can have a shared future together.

## FROM OUR JUNIOR ROOM WITH MS BURTON

The kindys are learning about the letter I and we enjoyed making our incy wincy spiders. We are also learning about the number 8.

## FROM OUR JUNIOR ROOM WITH MS BURTON

Last we enjoyed our first cross country for the pre-Primary. I was very proud of all of them that completed the race.

## FROM OUR SENIOR ROOM WITH MR ELLIS

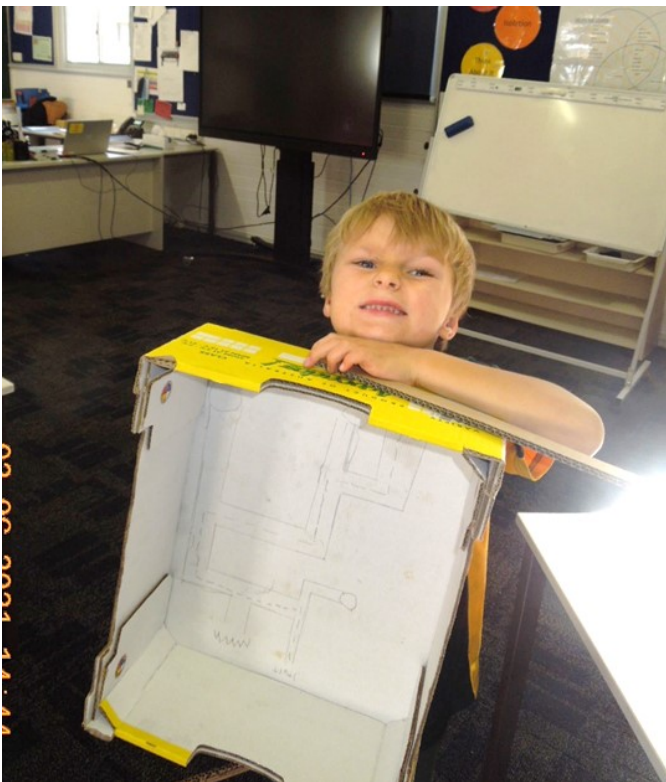

The semester is swiftly coming to an end with lots going on in the next few weeks and reports being written. Well done to all the student who participated in the cross country and especially to those selected to represent Yilgarn at the interschool race. We have wrapped up our study of colonisation in HASS and conclude by creating a display of clothing worn by colonists in the early 1800's.

In design technology students have been building marble runs, similar to the wooden Labyrinth toy. With this task, the goal is both to create a working model and to work through a design process, choosing material, making plans, overcoming problems, and making recommendations on how they could improve their finished product. Below are some pictures of the students constructing their models.

### Fundraising

During Term One we sold icy poles at school to raise funds for a charitable organisation. The kids have decided to donate the money that they raised \$35.20 to Ron and Laura's Parnana Pikurtu Wildlife Sanctuary Inc.

#### Just a little note from Ron and Laura.

Thank you to all the kids so very much! Every little bit helps with food for our wildlife. We will purchase a bag of alpaca mix which will feed 35 kangaroos for 2 nights, so very valuable to us. We hugely appreciate your efforts and we're stoked that the kids thought of us to donate to.

Love and thanks

# IDEAS FOR HOT LUNCHES—MONDAY'S AND WEDNESDAY'S

## Ingredients

- 4 medium potatoes
- 1 teaspoon olive oil
- 1 onion, finely chopped
- 4 rashers short cut bacon, chopped
- 1 cup grated tasty cheese, plus extra to sprinkle
- 2-3 tablespoons milk
- 1/4 cup fresh flat-leaf parsley, chopped

## Instructions

Scrub potatoes and stab each with a toothpick (about 8 holes each – all around the potato). Wrap each potato in a piece of paper towel and place in the microwave.

Cook on high for 4 minutes or until tender when re-stabbed with the toothpick. Leave to cool.

Heat a non-stick frypan to medium-high heat, add oil and cook bacon and onion until golden brown.

Preheat the oven to 180°C. When potatoes are cool enough to handle, remove paper towel and cut the top off the potato. Scoop out the inside of the potato and place in a bowl.

Be careful not to break the skin – I leave about a 5mm shell. Mash the potato and stir in bacon, onion, cheese and parsley. Add enough milk to make a mash potato consistency.

Stuff the mixture into the potatoes, overfilling a bit, and then sprinkle with extra cheese.

Bake for 15-20 minutes until cheese is golden brown and potatoes are heated through.

Serve with a green salad.
