### Principal's Message

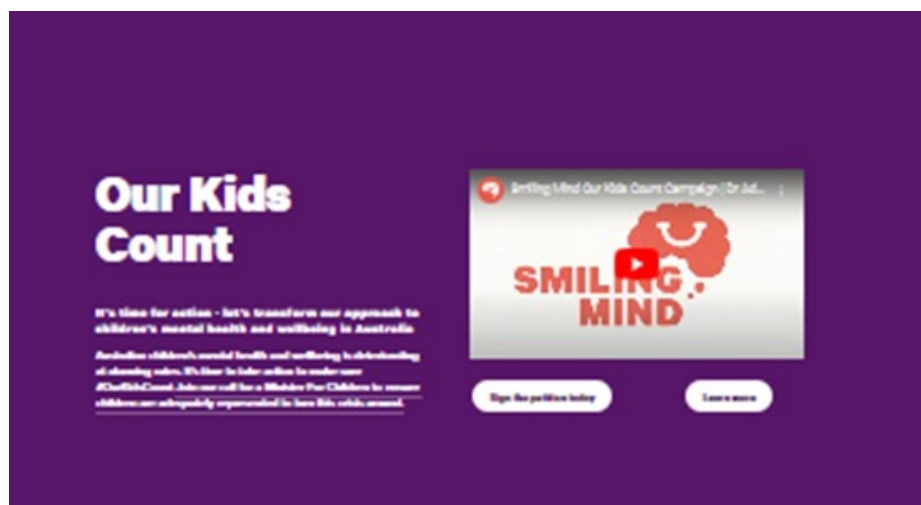

Dear Parents and Guardians

Can you believe we are already half way through Term 3!!

#### Literacy Day

Last Friday our students and staff presented a Literacy and Mental Health Day at Southern Cross District High School. We enjoyed a day of learning with SCDHS and St. Joseph's Primary School staff and students to learn all about literacy and how to look after our mental health. Our day included lots of hands on art activities, a Silent Disco and a Scavenger Hunt. Students learnt how to meditate, create emotive rocks, and participated in cracking some secret codes. A big thank you to SCDHS for hosting us and St. Joseph's Primary School for joining us.

A very special thank you also to Bureau Veritas Kalgoorlie who provided our students with a sample bag to decorate and take their goodies home in.

### Main Roads Upgrade

As many of you would be aware the Great Eastern Highway is becoming increasingly busy and will be part of a state upgrade over the next few months. I am working closely with the Shire of Yilgarn to have some signage posted outside of our school for passing traffic. Stay tuned for updates on this to increase the safety for our school.

### Super Hero Day

Don't forget tomorrow is Super Hero Day!! Students can dress up as their hero, it may be mum, dad, nana, pop or anyone they believe is a hero! I am looking forward to seeing who your child considers a hero tomorrow morning.

### Fathers' Day BBQ

Fathers' Day is just around the corner and we are looking forward to welcoming our dads for an early morning barbeque breakfast at 0730am on Tuesday 5<sup>th</sup> September 2023. Mums you get a sleep in! Our team here will be bright eyed and bushy tailed behind the barbie ready to welcome you all with hot coffee and bacon and egg sangas!

## FROM OUR SENIOR ROOM WITH MS MELIS

### Senior Room

Welcome to Week 5. What a full-on couple of weeks we have had. Students in the Senior room have been working on their writing and comprehension and using the computers to complete their edited versions of their work. In Geography we have been learning all about what makes Australia unique and how to read an atlas. For Science, we are learning about states of matter and conducted an interesting experiment using corn flour or custard powder and water, trying to determine whether the results are solids or liquids.

We have the interschool sports carnival coming up, too quickly, and have been practising our ball skills and building our fitness. In combined Science we tried to make a wind powered hovercraft, looking at kinetic energy and designing a catapult.

## FROM OUR JUNIOR ROOM WITH MISS GLAZIER

We have been doing lots of hands on activities in the last couple of weeks, the students have been enjoying puzzles and using the geo boards to make shapes with elastic bands.

Our Pre-Kindy's are settling in well and I've been so happy to see so many students being very kind and welcoming.

It has been such a busy term already and it seems to be flying by! We are looking forward to the Yilgarn show, sports carnival, book week, the book fair and assembly!
