### Principal's Message

Dear Parents and Guardians

#### **Athletics Carnival**

I was extremely proud of every one of our students at the recent Athletics Carnival in Week 7. All our students demonstrated exemplary sportsmanship and team work during their events. It was especially pleasing to hear the positive encouragement and acknowledgements amongst our students and from our parents. Thank you to all our amazing parents for their assistance at the carnival and for helping pack up. Special thanks to Josie Kent for her work in getting our marshall sheets organised. Thank you also to our teachers Ms Glazier and Ms Melis for their early morning efforts in setting up with me. Once again MRPS took home the Handicap Shield, go us!!!

A huge thank you and acknowledgement to Mineral Resources for their grant in support of the MRPS Literacy and Mental Health Day. Approval for this grant was released in Week 7 and we are extremely grateful again for the support of Mineral Resources.

## Principal's Message—continued

### Fathers' Day BBQ

Our Father's Day BBQ was extremely well attended last week and I would like to thank all our fathers and grandfathers who attended the breakfast. One of the aspects I am especially grateful for at our school is the outstanding support we receive from our families. Thank you also to Wayne for his cooking skills and Mrs Capelli for setting up the well enjoyed treasure hunt. We hope you all enjoyed the morning as much as we did!

## FROM OUR JUNIOR ROOM WITH MISS GLAZIER

We had so much fun making the Father's Day presents this week. Students thought it was hilarious having Mrs Capelli paint their feet. It was great to see our whole school's sportsmanship at the sport carnival. We had such a fun day.

The Junior's are so excited for the assembly and book fair next week. We have been practicing our

item and they are very proud of themselves.

Thanks for the donations of recyclable materials. We are still hoping to get some CD's donated for a science experiment.

## FROM OUR SENIOR ROOM WITH MS MELIS

Welcome to Week 9. We have had such a fun and full-on term. The students have been busy learning how to write a procedural text and we used the recipe for the Rocky Road that they made for Father's Day. We have continued practicing our Readers Theatre script and they are looking forward to performing it in front of all their families and friends.

Our last science experiment, Rainbow in a jar, didn't quite work out how we wanted it, so we will be trying it again and changing how we do it for our next combined science lesson.

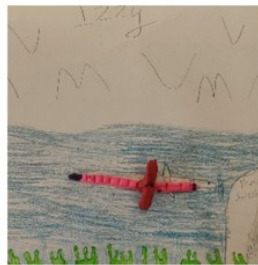

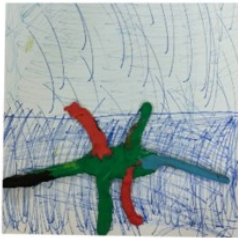

## FROM OUR SENIOR ROOM WITH MS MELIS

The Seniors and the Juniors were tasked with creating their own dinosaur, making a 3D version of it from plasticine, then drawing the habitat where it would live, for STEAM. They thoroughly enjoyed the activity and we saw some amazing dinosaurs.

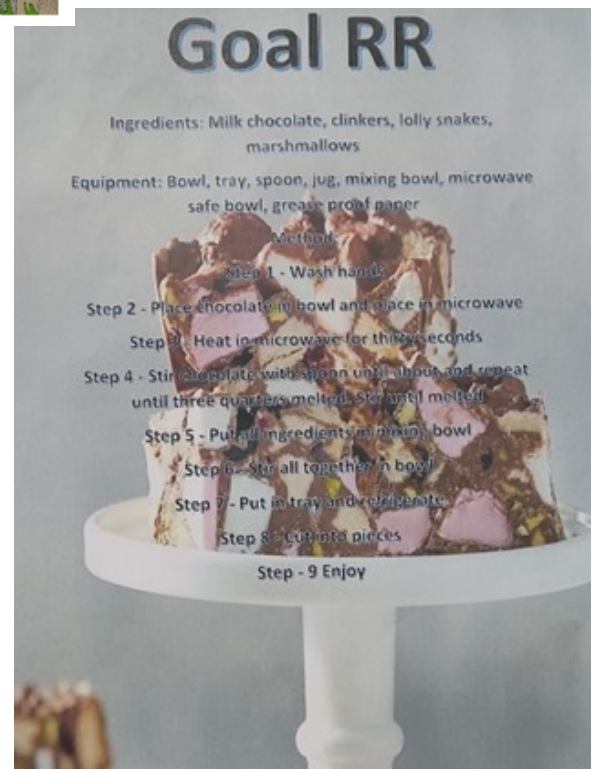

## FROM OUR SENIOR ROOM WITH MS MELIS

The seniors also had a great time being creative and making Rocky Road and Chocolate Bark. Students then created a procedural text on how to make the Rocky Road.

I would like to take this opportunity to wish you all a safe and happy Term 3 break and look forward to seeing you all next term.
