Principal's Message

Dear Parents and Guardians

SSTUWA

As you maybe aware the SSTUWA continues to work negotiate for an agreement in our schools. I will keep you informed of any updates regarding this.

Super Hero Day

Monday 29th April was Super Hero Day and our school was very fortunate to have a special visit from our Southern Cross Police Heroes! Brigham, Mike and Mo popped in to say hi and have some pics with our amazing students and staff. Keep being our local super heroes guys we love your work!!

Principal's Message

Mothers Day Afternoon Tea

All mums and grandmothers are invited to our afternoon tea in the Playgroup room at 1.45pm. Staff will be catering and students will participate in a small activity with you all. We have made something special for our mums this year and look forward to seeing you all then!

Principal's Message

I am very pleased to advise MRPS will have electronic signage installed at the beginning of 2025! There are planning activities that need to be done prior to installing the electronic signs. Once a date is confirmed I will let you know.

Warm Regards
Katrina Tedge
Principal

Upcoming Events

- ⇒ Monday— 20th May—Netball Clinic—Eric carlson
- ⇒ Friday 24th May—YSSSA Cross Country

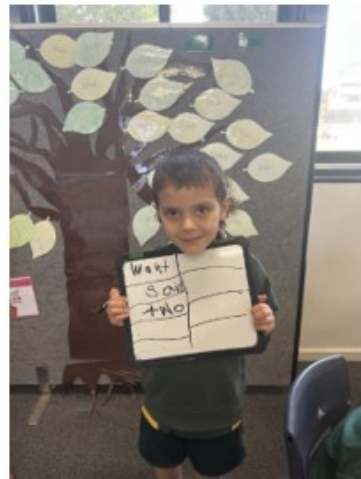

FROM OUR JUNIOR ROOM WITH MISS GLAZIER

This week in the Junior room we have been learning about living things in science. We went on a search around the school and drew the things we found that are classified as living things. There was lots of discussion about what makes something a living thing. Does it breathe? Does it grow?

We also had lots of fun making and rolling out salt dough to cut into shapes for a Mother's Day surprise.

Miss Glazier got a new coffee maker and has donated her old one to the home corner in the junior room. The students are loving making pretend coffees.

As always, we have been working really hard on our reading and writing. The Pre-Primaries have been improving so much this term!

FROM OUR SENIOR ROOM WITH MISS HONG

Hello from the Senior room! We had an exciting start to last week with Superhero Day. Students built jetpacks to go along with their costumes. We took time to talk about and celebrate Earth Day on the 22nd of April. In Science, we have started our unit on living and non-living things (biological sciences), so students used their I pads outside to explore and record what they found. In maths, we will be moving into Statistics and Probability. In History, students are learning about technology and change over time. It has been interesting listening to them share about the type of "old" things they have seen at their grandparents' home. We all had a good chuckle when none of the students could name an "Ipod." To encourage curiosity, have a look around your house and see what kinds of technology you have and ask your children what it is, its purpose, and how it has changed. I imagine your farms have many interesting pieces of technology. In Design, we have been talking about force and how different objects "push" and "pull." We went outside to find objects that can spin, bounce, roll, and slide.

FROM OUR SENIOR ROOM WITH MISS HONG

Happy Birthday to

Brodie Maddock

9th May

Voluntary Contributions

Your voluntary contributions assist the school in providing materials to improve your child's learning experiences. It would be fantastic if all contributions could be received during Term One. Please pay by direct deposit to our ANZ Account. The Voluntary Contribution of \$40 equates to \$10.00 per term.

BSB 016710

ACCOUNT NUMBER 253884676.

PIE WARMER LUNCHES

Students may bring lunches from home that require warming up in the pie warmer on Mondays and Wednesdays. Food is to be brought in an appropriate container (oven proof) or wrapped in alfoil. Please mark your child's name on their lunch for ease of distribution. To assist the school in providing a safe environment, please consider the contents of your child's lunch box.

Please note, icy poles will no longer be sold during Term 2 and 3.

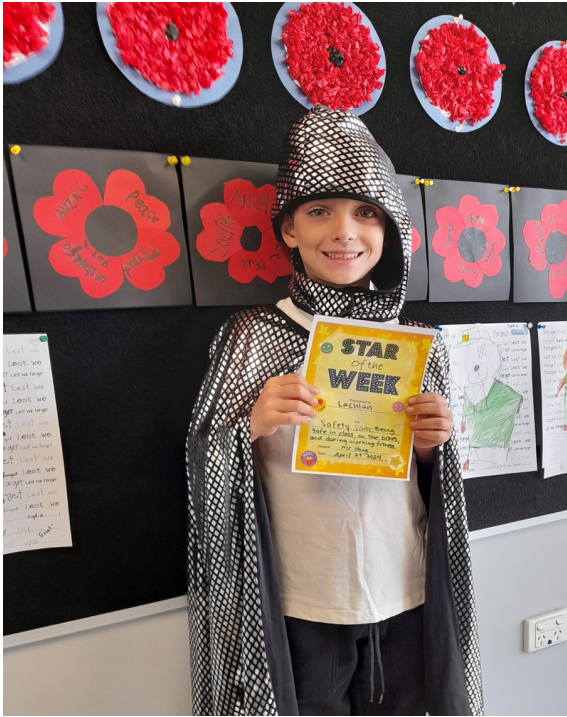

2

Wishing all the Mother's and Grandmothers a wonderful day on Sunday. Hope you all get to spend it with your family.

Of all the special joys in life...
a mother's love and
tenderness is
the greatest of
them all.
