

ENROLMENT PACK **(for enrolment in a Western Australian public school)**

The Enrolment Pack comprises:

Part A – Application for Enrolment

(includes information about applying for Enrolment in a Western Australian public school and the Application for Enrolment Form)

Documents which need to be supplied or sighted by the school are listed on the form.

Part B – Enrolment

(includes Parent information about enrolment in a Western Australian public school and the Enrolment Form)

Who can enrol a child?

Enrolment applications can be lodged by:

1. Parents, defined in the *School Education Act 1999* as persons who at law have responsibility for the long term care, welfare and development of the child; or the day-to-day care, welfare and development of the child;
2. Independent minors; and
3. Persons aged 18 years or older who may apply on their own behalf.

The school may require documentary evidence in support of the application. A person with proper authority to make the application must provide the required information. The school is not required to determine whether another parent or person with authority concurs with the lodging of the application or the information included in it.

If there is a dispute between parents or authorised persons about the enrolment or one party requests or has enrolled the child at a different school, then the schools involved should endeavour to maintain the original enrolment and continuity of the child's schooling unless it is clearly not in the child's educational interests to do so, is not possible, or has been determined otherwise by a court.

Who can be enrolled?

Permanent Australian residents and those children holding an approved visa subclass are entitled to be enrolled, although not necessarily at a particular school unless the school has a 'local-intake area. Those overseas students who do not have an entitlement to enrol in a public school may be enrolled on a full fee paying basis under conditions which the school will outline.

In establishing a usual place of residence, the *Residential Parks (Long-stay Tenants) Act 2006* recognises any agreement conferring the right to occupy premises for a fixed term of three months or longer. Short term residential arrangements can be accepted in cases such as recent arrival in the State, residence in boarding houses and caravan parks, or homelessness.

Schools may not enrol children who are:

1. receiving home education; or
2. applying to enrol at another school; or
3. enrolled at another Kindergarten (public or private), unless transferring.

From 22 July 2019, Kindergarten children must meet the new immunisation requirements before they can enrol at a school, community kindergarten or day care program. This change will assist to better protect young and vulnerable children and the wider community from vaccine preventable diseases. Parents applying to enrol their children in Kindergarten programs are

encouraged to ensure their children's immunisation is 'up-to-date' to avoid their application for enrolment being declined.

The principal may consider whether a child may attend for a short period (s 75(2) *School Education Act 1999*) and may consult with the school in which the student is already enrolled before a decision about attending is made. Attendance for more than four weeks requires that the student relinquish enrolment at the school in which the student is already enrolled.

Requested documentation

You will be asked to show: your child's Birth Certificate (original or certified copy) or birth extract or equivalent identity documents; your child's Australian Immunisation Register (AIR) Immunisation History Statement; proof of your child's usual place of residence: for example, utilities account, lease agreement, ownership of the property, driver's licence, statutory declaration; copies of any Family Court or other court orders, and visa details (if applicable).

Principals may accept a maximum of 3 documents as evidence of your child's usual residential address. Principals are able to request additional information where this is necessary to confirm your child's usual place of residence.

You will need to provide evidence of your child's current immunisation status when you lodge an application to enrol. You can provide one of the following:

- Australian Immunisation Register (AIR) Immunisation History Statement that is not more than two months old; or
- Australian Immunisation Register (AIR) Immunisation History Form for children on a catch up schedule that is not more than six months old; or
- Immunisation Certificate issued by the Chief Health Officer.

Other immunisation documents are no longer accepted.

Kindergarten

The Western Australian Government fully funds Kindergarten for age-eligible children in public schools and supplements the cost of Kindergarten in Catholic and independent schools. Children may be enrolled in Kindergarten in one school only, either public or private.

From 2020, only Kindergarten children can only enrol if:

- their immunisation status is 'up to date'; or
- they are on an approved immunisation catch up plan; or
- they meet the criteria to be an exempt child because of particular family circumstances.

Disclosure of information

For parents of students with disability

In order to provide an appropriate education program the school may require specific information relating to your child's disability and personal needs to enable the school to make any necessary teaching and learning adjustments. The school may also use the information you provide when applying for specialist resources or services and/or supplementary funding to support your child's education.

Suspensions and exclusions

Information on any suspensions and exclusions needs to be provided to the school at the time of applying to enrol. This information will help the school to provide your child with any support that may be required.

Children currently under suspension from a public school cannot be enrolled at another public school until the suspension period expires.

Children who have previously been suspended or excluded from a public school may be required to enter into a behaviour agreement with the school if enrolment is accepted.

Confidentiality

All information provided on this form will be treated confidentially. Section 242 of the *School Education Act 1999* precludes this information from being used for any purpose other than: to determine whether your application for enrolment can be accepted; to assist the school with addressing any needs for your child if enrolment is accepted; and to comply with legal requirements or ministerial directions.

Disputes

Should you disagree with a school's advice regarding your application for enrolment please contact the principal in the first instance. The Coordinator Regional Operations at your Education Regional Office can provide advice if a concern has not been resolved. Information about formal disputes can be obtained from the school, the Education Regional Office or the Department's *Enrolment Policy* which can be found at <http://www.det.wa.edu.au/policies>.
