Issue #10

Dear Parents and Caregivers,

As we come to the end of the school year, I would like to reflect on what has been a busy and rewarding final term at Moorine Rock Primary School and thank our amazing students for a wonderful year.

Our students have enjoyed a wide range of fantastic experiences this term, including Numeracy Day, which highlighted their enthusiasm and problem-solving skills, and the ever-popular Halloween Disco, filled with fun and excitement. Swimming lessons provided valuable water safety skills and confidence building, while Kindergarten Orientation was a lovely opportunity to welcome our 2026 Kindy students and their families into our school community.

We finished the year with our outstanding Christmas and End-of-Year Concert, where students shone on stage and our school community came together to celebrate a fantastic year of learning. This week, we are also looking forward to our Christmas party and spending some quality time with friends before the holidays.

I would like to wish Issabella Charchalis and Felix Lawrence all the very best as they move on to their next exciting chapter in high school. You will be sorely missed, but we are incredibly proud of all you have achieved and the positive contributions you have made to our school.

I would like to sincerely thank our staff for their dedication, professionalism, and care throughout the year, as well as our families and wider community for your continued support and partnership. Together, we have created a positive, nurturing environment where students are encouraged to learn, grow, and thrive.

Update

Dear Parents and Guardians,

As we come to the end of the school year, we reflect on a busy and rewarding time for both the Junior and Senior Rooms. Our students have worked hard, embraced new learning experiences, and enjoyed many special events.

From Numeracy Day and swimming lessons to Halloween and finishing with the Christmas Concert, it has been wonderful to see our students grow, learn and celebrate together.

Junior Room

What a fantastic term it has been in the Junior Room! I am incredibly proud of the effort our students have shown across all areas of learning. They have worked hard to strengthen their reading, writing and maths skills, and it has been wonderful to see their confidence grow as they try new things and persevere, even when learning felt challenging.

This term, students have also shown kindness, teamwork and resilience, supporting one another and bringing such positive energy to our classroom each day.

Thank you to families for your ongoing support at home—it truly makes a difference.

To all of our Junior Room students: well done on an amazing Term 4. Keep reaching for the stars, enjoy a safe and happy holiday, and all the very best for 2026.

Senior Room

What a fantastic term it has been in the Senior Room. Our students have shown great effort, maturity and independence in their learning, and we are very proud of all they have achieved. They have embraced challenges, worked collaboratively, and taken increasing responsibility for their learning.

Students have demonstrated strong perseverance and a positive attitude, supporting one another and taking pride in their work. Their growth this term, both academically and socially, has been wonderful to see.

Thank you to families for your ongoing support. To our Senior Room students, well done on a wonderful Term 4, and best wishes for a successful and exciting 2026.

With pride and gratitude.
