Issue #1

Principals Message

Dear Parents and Caregivers,

Welcome to the 2026 school year. I hope you all enjoyed a safe and restful holiday break and are feeling refreshed and ready for the year ahead. It is with great pleasure that I welcome our returning families.

Our school continues to be a place where every child is known, valued and supported to reach for the stars. In 2026, our focus remains firmly on high-quality teaching and learning, with explicit instruction at the heart of our classroom practice. We will continue to strengthen our whole-school approaches in literacy and numeracy, ensuring all students are supported to build strong foundations and achieve success.

Equally important is the wellbeing of our students. We remain committed to providing a safe, inclusive and caring learning environment where students feel connected, confident and ready to learn. Through strong relationships, positive behaviour support and wellbeing programs, we aim to nurture resilient learners who take pride in themselves and their school.

Welcoming Our Junior Room Team

I am delighted to welcome Jess to our Junior Room team this year. We are very excited to have her join our school community and look forward to the experience, enthusiasm and care she will bring to our youngest learners. We know she will be a wonderful addition to Moorine Rock Primary School.

Principals Message

We also warmly welcome Mrs Erin Jolly to her expanded role in the Junior Room on Mondays and Tuesdays. Erin is already a valued member of our school community, working with students on Fridays, and has recently commenced her Education Assistant training. This commitment to professional learning ensures she is well placed to continue supporting our students and giving her very best in this role.

Our small-school setting is one of our greatest strengths. It allows us to work closely with families, draw on the expertise of our dedicated staff, and build strong community partnerships that enrich learning experiences for our students. I would like to thank our staff, School Council, P&C and wider community for their ongoing support and commitment to our school.

I look forward to working in partnership with you throughout 2026. Please do not hesitate to contact the school if you have any questions, concerns or ideas — open communication is key to supporting our students to thrive.

Wishing everyone a positive and successful start to the new school year.

Warm regards,
Stacey Landrigan
Principal

Important Dates to Remember

Please refer to your Term Planner for all these dates - if anything changes, we will notify you via our weekly email.

Term 1 2026 -

Labour Day Public Holiday - Monday 2nd March 2026

Swimming Carnival is being held at the Southern Cross Swimming Pool
Friday, 27th March commencing at 9.30 am sharp

Kindy Days Term 1 2026

Mondays and Thursdays in Semester One of 2026

A quick CLASSROOMS

Update

Dear Parents and Guardians,

Welcome to a wonderful year ahead in both our Junior and Senior classrooms. We are excited to be working with your children and look forward to a year of learning, growth and achievement.

We value working in partnership with families and are always here if you have any questions or would like to chat throughout the year.

Junior Room

Hello, I'm Jess Kemp and I am so excited to meet everyone and begin the year together. I'm really glad to be in the classroom and am looking forward to my first full week next week.

I'm looking forward to an exciting year ahead filled with learning, growth and lots of wonderful moments in our classroom. A big focus for us at the beginning of the year will be establishing strong classroom routines so students feel safe, confident and ready to learn each day. We will also be encouraging reading every night at home, as regular practice is so important in building fluency, confidence and a love of books.

I can't wait to work closely with you and your children to make this a positive and successful year for all.

Senior Room

Welcome back to a new and exciting year in the Senior Room! We are looking forward to a year of growth, challenge and achievement as students continue to build their independence and responsibility.

This term, students will be studying *Charlotte's Web* using a cross-curricular approach. Through this novel, we will be integrating English, Humanities and Social Sciences, Health, and elements of Science, allowing students to explore themes, develop comprehension skills, and make meaningful connections across learning areas.

We are excited to see the depth of thinking and creativity this unit will inspire and look forward to a fantastic term ahead.

With pride and gratitude.
